Ecosystem

Learn first-hand about local best practices and success stories from your industry

Matchmaking

Connect with potential customers and explore individual business opportunities

Training & Mentoring

Learn from program mentors and key industry players who will help you scale your business

Go-to-market

Pitch your business in front of local partners, VCs and city officials

BERLIN GOES INTERNATIONAL

A Program of the Senate
Department for Economics,
Energy and Public Enterprises

European Union

European Regional
Development Fund

BERLIN BRANDENBURG ENERGY NETWORK e.V.

The Mission in a nutshell

We offer a high-caliber market exploration program.

- ★ Sharpen your business model and value proposition for the US with our mentors and experts.
- ★ Assess your product-market fit.
- ★ Connect with key decision makers in New York and get valuable feedback for your go-to-market strategy.

📣 The application deadline is **30.06.2022** 📅

👉 Apply [here](#)! 🚀

This mission is organized by **Urban Innovation**, a program by **Berlin-Brandenburg Energy Network**, in collaboration with **Berlin Partner for Business and Technology** and the **Berlin Business Office, USA**.

The mission is aimed at:

Berlin start-ups, scale-ups and innovators

This program is designed for: C-Level and founders, business development and expansion teams

Industry focus:

Organizations focused on the sustainable transformation of urban spaces, offering innovative solutions in areas such as clean tech and mobility.
